QUARTERLY TAPE

The Power Of Intention In Healing: A Research Overview

Marilyn Schlitz, PhD
Director Of Research
The Institute Of Noetic Sciences

This delightful and insightful presentation by Marilyn was her keynote address at our 2002 Professional Seminar. This tape does not contain Hemi-Sync®, so you may listen to it while driving. We hope you enjoy it, and if you would like further information on The Institute of Noetic Sciences, please visit their Web site at http://www.10NS.org
